

APPROACH ONE

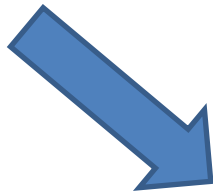

STEP ONE

Determine how knowledge discussed in class can be clarified, strengthened and applied to “real life”.

STEP TWO

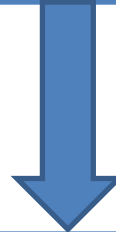

Engage in process of applied learning in real life with goal of also contributing to one’s community.

APPROACH TWO

STEP ONE

From a perspective external to school (e.g , community concern or initiative)determine how a concept with a business foundation could be used to facilitate social change.

STEP TWO

Use concepts learned in school to help develop social enterprise model.
